<b>Morning</b>	<b>Introduction + Workout</b>	<b>PowerCross</b>	<b>Mobility + Workout</b>	<b>CrossTraining</b>	<b>Functional Team Workout</b>	<b>CrossTraining Warrior</b>
	A quick introduction of me and what functional training is? After that we do a nice long warmup and a small workout.	A Crossfit inspired workout. A hard semi long workout with low weights but high cardio/pulse. Mainly using your own bodyweight.	Don't you wish you were more flexible? In this class i'll give you pointers and advice how to improve your mobility. After mobility we will do a small workout with high intensity using your improved mobility.	Crossfit inspired workout. Using the existing equipment, we do a workout with a lot of power and weight. Everyone can join, the workout can be scaled to suit your level.	Being in a team and competing against other teams is always fun. Here we are combining the fun of working in teams with a high pulse.	We end this lovely week with a hard but fair workout. Combining everything you have learned, using the last % we have to finish with a big bang!
