ZAKYNTHOS

This is a really beautiful ride though Zakynthos were you will experience a lot of different landscape. Olive trees, wine gardens, mountains and small picturesque villages. Most parts are small roads and a mountain bike is preferred. After about 28k there is a short section about 300m with heavy traffic where you should take it easy. The ride includes the amazing view over Zakynthos town and continues back down partly the same way as the running loop "The Panorama View" Have fun!

The routes are not marked. All routes are runned at your own risk. Bring water/fluid and extra energy if needed.
